Description

The Vinwonders Nam Hoi An theme park (or Vinpearl Land Nam Hoi An waterpark, Vinpearl Hoi An theme park) is an amusement park to the south of Hoi An. Its grand opening is on 28th April 2018 as the first waterpark in the area. Since then, this 60-hectares ground has emerged to be one of must-go attractions for families and groups of friends, especially in the summer. It comprises a waterpark, outdoor and indoor entertaining activities, a safari, local traditional handicraft displays and restaurants. Additionally, in its centre, there are two trading streets simulating Hoi An (Asia) and Europe, divided by an artificial river. What to Do in Vinwonders Nam Hoi An Theme Park? **THE RIVER SAFARI** This is the first safari park in Hoi An and Da Nang. It's home to many animals coming from different continents of the globe and some of them are extinct in the wild. The collection includes tigers, elephants, gibbons, monkeys, kangaroos, gazelles, hippopotamus, giraffe, deer, camel, flamingo, swan. To tour around and watch animals, visitors must take a boat ride. Its duration is around 25 minutes. To the left of the pier, the Bird house shouldn't be missed. Children can buy food and feed the birds, or stand at a close distance to them for a photo. **THE WATERPARK** The waterpark of Vinwonders Hoi An theme park opens from 10 am to 5:30 pm. It is a series of 10 play areas, including a wave pool, a lazy river and slides to provoke emotions. Definitely, here is the best option in hot weather. Especially for kids, they can keep entertained throughout their time. Remember to see the board on which operational hours of each game are shown (near the "entrance" of waterpark). **THE ADVENTURE LAND** This section is also for fun and excitement seekers. It comprises indoor and outdoor grounds that are for all ages. There are 17 rides in the open-air area, and some of them require children to go with their parents. The Swiss tower is the tallest drop tower in Vietnam (85 meters), and the player's height has to be 1,3 meters minimum. Musical fountain show here is available at 7:30 pm. It lasts 20 minutes, providing fantastic performances. In the 4D film Castle (near the Hill of wishes), visitors can watch 4D film (at the moment, the Meg and the Lost scepter). **THE ISLAND OF FOLK CULTURE** The Island of folk culture is innermost from the Entrance. It's home to the Hill of wishes - a tall spiral tower inspired by ancient Mesopotamian civilization, and displays of different cultures in Vietnam. From the top of the tower, visitors can view the entire Vinwonders park and distant mountains and islands on the sea. It's quiet kool.
